Learn Spanish and Discover the Real Andalusia

Learning a language requires much more than classes. Come to Andalusia and experience it. Academia Hispanica invites you to join us on an exclusive, 8 day journey across Andalusia—Spain's best loved region—to fully experience the culture, friendly people and all the sights that this area has to offer.

We have chosen stunning locations which will provide you with an authentic insight into Spain's people, language and culture.

Travelling with a local teacher / guide you will experience things you would never be able to alone. Let us give you an insight the real Andalusia.

LEARN SPANISH

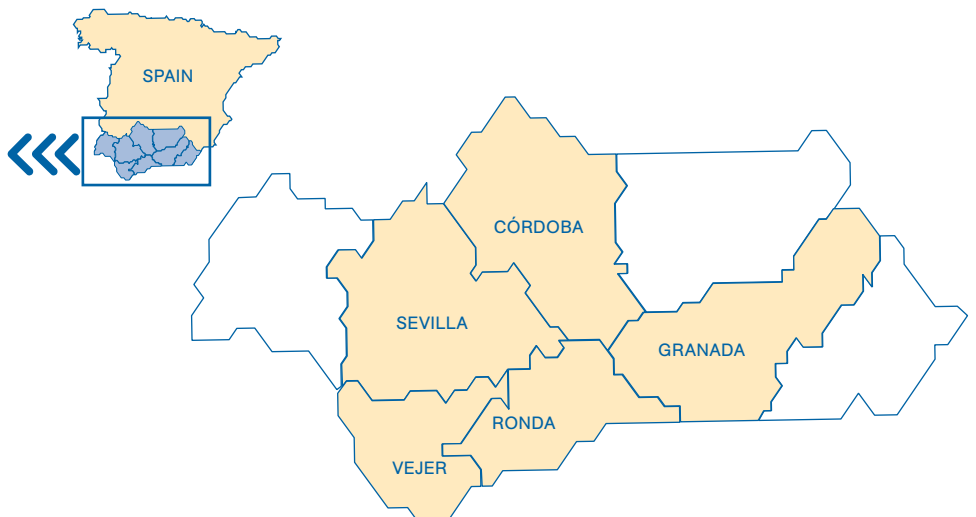

pre-intermediate - intermediate level

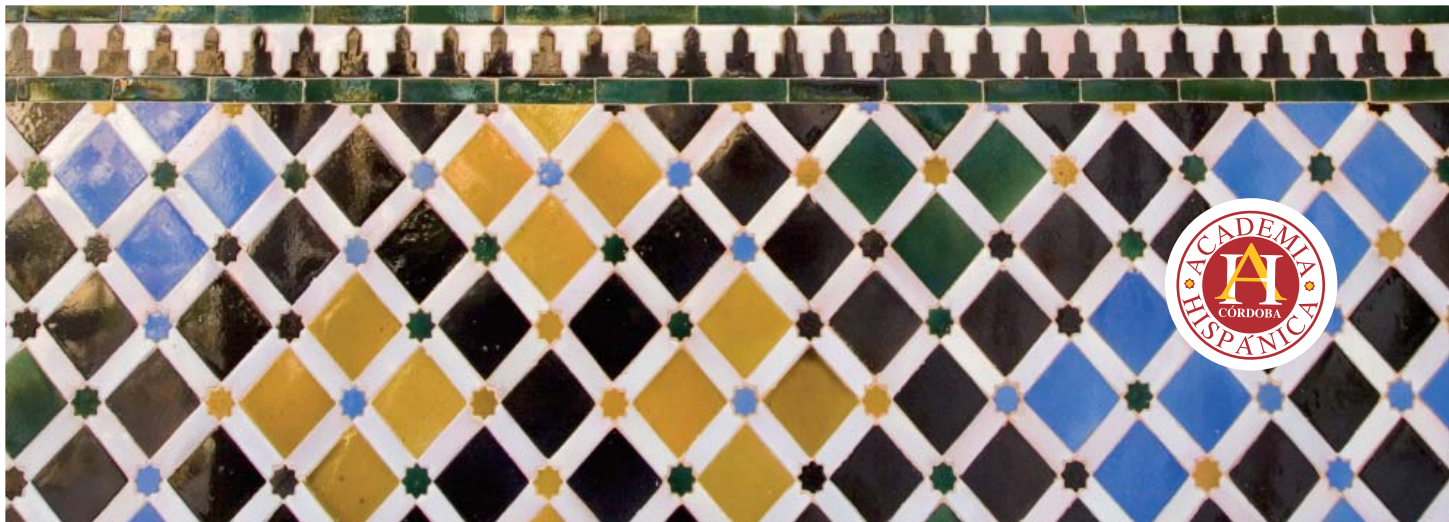

Andalusian Insights is an immersion experience with a special focus on improving Spanish communication, grammar and cultural knowledge. The daily lessons are practical and will help you feel more comfortable listening and speaking to the locals you will interact with on your trip.

This program is extremely effective as outside class you will be guided to speak in Spanish most of the time.

Features

- 15 hours of Spanish Lessons (10 in class and 5 classes on bus)
- Communication Activities provided throughout the entire trip
- Guided tours in Spanish around Andalusia's major sights
- Private Transport in a luxury bus
- Quality accommodation & 1/2 Board (****)
- The chance to experience southern Spain as a native
